

The Helmholtz Fund will award the

Helmholtz Prize 2026

METROLOGY. FUTURE.

CALL FOR PROPOSALS

The Helmholtz Prize is awarded for extraordinary achievement in the field of precision measurement in the following two categories:

1. Precision measurements in fundamental research in the fields of physics, chemistry and medicine.
2. Precision measurements in applied metrology in the fields of physics, chemistry and medicine.

For each category, the prize consists of a certificate and €20,000.

APPLICATIONS

Please visit www.helmholtz-fonds.de for further information.
Application deadline: 31 March 2026

AWARDING CEREMONY

The Helmholtz Prize will be awarded during the international workshop "Quest of New Physics at the Precision Frontier" in Berlin (24–28 August 2026). The workshop will take place on the PTB campus in Berlin Charlottenburg.
